Parent Information – Student Placement Form

Student Name _____

School staff and administration classroom placement decisions are based on many criteria, all of which are important in improving the balance of homerooms at each grade level. Some criteria that are considered included: learning styles, teacher recommendations, parental input, personality, peer relationships, and number of students in each classroom. You are invited to share classroom placement concerns before homeroom classes are finalized for the following school year on the May early release day. The following information you provide about your child will assist when making homeroom assignments.

1. Please list any academic information about your child that you would like considered when making a placement.

2. Please list any social/emotional/behavioral information about your child that you would like considered when making a placement.

3. Please include any other pertinent information that you feel should be considered when making a placement for your child.

4. **Optional** – Circle: Mrs. Moldenhauer Mrs. Slotkus Mrs. Torstensen Mrs. Wojtkiewicz
This preference should be based on information provided in the above questions.

Thank you for providing the above information. Your request will be reviewed and considered at the time of class placements by administration. Please return this form to Mrs. Zackery **by May 16th** .
